DATE FIXED

For Poultry Exhibit.

Meeting Called to Make Preliminary Plans.

Well Known Judge Has Been Engaged.

Victorene Paced to the Front at Mansfield.

Harvard Won All Three Races—Sporting News.

The members of the Akron Poultry and Pet Stock club will meet at their rooms in the I. O. O. F. block, Main st. Saturday evening to take preliminary steps toward arranging for the features of the bench show which will be held here from January 2 to 5.

The reason that the date is so distant is that it would be difficult to secure the judge the club wanted prior to that time. The judge will be J. Y. Bicknell, proprietor of the Orchard Park Poultry farm near Buffalo, N. Y.

While no definite decision has been made in the matter, it is thought that no dogs will be exhibited at the show. At the bench show held here a few years ago the dog department did not pay very well, hence its exclusion.

Among other things to be discussed Saturday night will be the matter of entry fees for the specimens—whether 25 cents or 50 cents will be charged.

The local club has some fine stock, which will be placed on exhibition. The object of the club in holding the show is not alone for the entertaining features it may have for the public, but also to present the merits of fine poultry stock to breeders and fanciers, that it may receive the due recognition it deserves, and to encourage breeders to use care and diligence in the selection of such birds to breed from that will produce the best results. The deliberations of the club do not draw the lines so as to give preference to any particular breeds, but are liberal enough to give encouragement to all stock possessive of merit.

The club will also devote energy and expense to make this show the best ever held here. Fancy and standard breeds of poultry will be brought from all parts of the country, and nothing that will conduce to the merits of the show will be overlooked.

Dr. J. W. Lyder is president of the local club, and Samuel Hibbs vice president. The club has about 50 members.

Joined the L. A. W.
The following Akron wheelmen joined the L. A. W. last week: H. Deck, Ford Lilly, J. R. Renner, P. C. Steinmetz, Frank Smetts and Dave Suttoff.

No Answer.
The challenge issued by Hugh Rogers to meet any heavyweight in Ohio has not been answered by any of the aspirants for ring honors. If there is no reply he will claim the state championship.

Won Her First Race.
C. M. Oberlin's bay mare, Victorene, made her first start at Mansfield Thursday in the 2:35 pace. She proved a surprise to the talent winning the race after a hard struggle which lasted six heats. The mare established a record of 2:25 in the first heat. The summary of the race follows:

2:35 Class, Pacing—Purse \$200.
Victorene, b.m. by Orphan (C. M. Oberlin) 1 4 1 2 4 1
J. R. J. (G. A. Fisher) 2 2 3 1 1 2
Lucy D. (C. Deible) 3 1 2 4 3 3
Maud Anderson, s.m. 4 3 4 3 2
Harvey (C. Deible) 5 4 3 4 3 2
Bud Myers, s.g. (Fred McKey) (dis) 6
Time—2:25, 2:21½, 2:27¼, 2:28, 2:33¼, 2:31½.

Griggs' boy was outside the money in the 2:17 pace.

Harvard Thrice one.
New London, Conn., June 30.—Harvard won all of the boat races—three victories over Yale.

Harvard's university eight won from Yale over a four-mile course by 6½ lengths in 20 minutes 52 seconds.

Harvard's freshmen eight won from Yale over a two-mile course by 2½ lengths in 9 minutes 33½ seconds.

Harvard's substitute four won from Yale over a two-mile course by 6 lengths in 10 minutes and 51 seconds.

The Harvard crews rowed a modification of the English stroke, coupled with some features of the stroke pulled by Wisconsin, and Coach McConville of Wisconsin, who saw the race, said:

"If Harvard's crew in today's form had been at Poughkeepsie I am afraid

she would have given us all a hustle for first place."
Yale has greatly modified the Cook stroke, and the boat did not go as it did when the famous coach was there.
The races were rowed in almost ideal water and wind, and under clear skies. The course was badly policed, boats getting into the lanes and steamers kicking up swells after the race had started. Harvard in the varsity race very nearly collided with a number of small boats at the finish, and a heavy swell impeded Yale.
The freshman effort was a mighty and splendid one up to the last eighth of a mile, when Harvard's superior staying power, coupled with an unfortunate obstruction of the course of the Yale youngsters by a large steamer, worked for Harvard's advantage and sent the 1902 men of Harvard across the line two lengths ahead of Yale.

RUNNING DOWN BANDITS.

Guards and Also Americans After Them.
Former Cuban Major Caught.

HAVANA, June 30.—Admiral received here from Guanajuay say Major Jose Acosta of the Cuban army, accused of complicity in the recent safe robbery at Mariel, was caught. After being fired at, he begged for his life. He said his party numbered 29, among whom, he claimed, was Colonel Carillo Dolz, who was appointed last week chief of the Guanajuay rural police. Acosta received \$200 as his share of the Mariel robbery.

Major Holmes and the head man of the San Francisco plantation attack both disappeared and there were rumors that they organized a party near Cayabos.

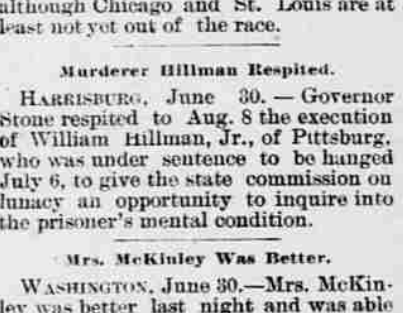

At Puerto Padre four boats returning from fishing were halted by armed negroes in five boats, one mile from the shore, and was compelled to surrender their fish and everything of value on board.

The Tamas Ruestales and a detachment of American cavalry were scouring the hills in search of 40 outlaws who have been raiding that district recently.

CINCINNATI, June 30.—The initial concert of the summer festival in every way a success. There will be concerts today and tomorrow afternoons and evenings. The indications were that the next saengerfest will be held at Buffalo, although Chicago and St. Louis are at least not yet out of the race.

Murderer Hillman Resisted.
HARRISBURG, June 30.—Governor Stone replied to Aug. 8 the execution of William Hillman, Jr., of Pittsburgh, who was under sentence to be hanged July 6, to give the state commission on lunacy an opportunity to inquire into the prisoner's mental condition.

Mrs. McKinley Was Better.
WASHINGTON, June 30.—Mrs. McKinley was better last night and was able to sit up.

GETTING RID OF THEM.
You'll be glad to get rid of your potato bugs and other insects. We have the exterminant—you apply it. Rids your vines of potato bugs, makes your labor more productive.

Just a little trouble to apply and the cost is insignificant. A dime investment that yields a dollar benefit.
